SPANISH TRAILS
REHABILITATION SUITES

WEEKLY UPDATE

January 13, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. There has been a total of 96 residents who have tested positive from the 100% testing of all residents that began on 6/29/20. 45 employees have tested positive for COVID-19 since employee testing started on Wednesday, July 1st.

The Spanish Trails Team continues to work with Curative, a COVID-19 testing company, to test residents and staff weekly in accordance with the New Mexico Department of Health guidelines and the current greater than 10% county positivity rate for Bernalillo County. With respect to the local county positivity rate, the COVID-19 positivity rate for Bernalillo County continues is standing at 10.5% as of January 11th.

In addition to Curative support, we also have rapid testing equipment in the facility which allows us to test both residents and staff and obtain COVID-19 results within approximately 15 minutes.

Walgreens Pharmacy Mobile Clinic will be back at Spanish Trails on Thursday, January 28th to administer the 2nd dose of the COVID-19 vaccine to residents and staff.

We continue to keep our residents in communication with their families via regular window visits and video/face time calls with their loved ones. We are making every effort to keep our residents engaged during the COVID-19 pandemic and responding to their requests and preferences as timely as possible.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 505-600-4805.

Sincerely,

Mark McElwee
