WEEKLY UPDATE

November 11, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 69 residents and 23 staff members test positive for COVID-19.

We continue to test residents and staff in accordance with the New Mexico Department of Health guidelines and the current greater than 10% county positivity rate for Bernalillo County. We also have rapid testing equipment in the facility which allows us to test both residents and staff and obtain COVID-19 results within approximately 15 minutes.

The Spanish Trails Team is keeping our residents in communication with their families via regular window visits and video/face time calls with their loved ones.

We continue to work hard to keep everyone in our community safe, and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Thanksgiving Update

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care, and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, the Spanish Trails Dining Team is looking forward to providing a wonderful Thanksgiving meal to your loved ones.

As a reminder, on Thanksgiving Day we will continue to connect families with their loved ones via telephone calls, video chats, and window visits as scheduled.

Our total number of cases to date are as follows: 76 residents and 31 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19.

As always, if you have any questions or concerns please don't hesitate to contact us at 505-600-4800.

On behalf of the entire staff at Spanish Trails Rehabilitation Suites, I wish you a happy and safe Thanksgiving.

Sincerely,

Mark McElwee

WEEKLY UPDATE

November 5, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 56 residents and 20 staff members test positive for COVID-19. Since last week's update letter, we have had no residents test positive for COVID-19.

We continue to test residents and staff weekly per the New Mexico Department of Health guidelines and the current greater than 5% county positivity rate for Bernalillo County. If needed, we also now have rapid testing equipment in the facility which allows us to test both residents and staff and obtain COVID-19 results within approximately 15 minutes.

The Spanish Trails Team is reaching out regularly to families and setting up window visits and video / Face Time calls with their loved ones.

We continue to work hard to keep everyone in our community safe, and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC.
