

Christmas Holiday Update

December 21, 2020

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

At the time of this letter, we are pleased to report that we have no residents with the COVID-19 virus in the facility. Our cumulative number of cases year-to-date are as follows: 96 residents and 41 staff members have tested positive for COVID-19.

During the holiday season, we continue to keep our residents in communication with their families via regular window visits and video/face time calls with their loved ones. We are making every effort to keep our residents engaged during this 2nd wave of COVID-19 and responding to their requests and preferences as timely as possible.

We are also awaiting contact from our Walgreens Pharmacy partner to schedule the mobile COVID-19 vaccination clinic at Spanish Trails in the near future. As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays.

Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Spanish Trails Rehabilitation Suites, I wish you a happy, healthy, and safe holiday season!

Sincerely,

Mark McElwee

Administrator
