

WEEKLY UPDATE

June 24, 2020

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Spanish Trails has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are connected with their loved ones! A number of family members were able to enjoy window visits with their dad on Father's Day recently. Additionally, we continue to help our residents stay connected with their families via video chat and face time calls.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility, and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 505-600-4800.

Sincerely,

Mark McElwee
