

WEEKLY UPDATE

6/4/2020

Dear Residents and Families/Representatives,

As we approach summer and states are starting to reopen slowly, we want you to know that the staff at Spanish Trails Rehabilitation Suites continues to work hard to keep our residents safe and we are still following all recommendations of our federal, state and local health officials to prevent the spread of COVID-19.

We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. All 94 residents were tested again on 6/3/2020. The facility will be testing all employees on 6/5/2020. Activities will continue to assist with video chats and in person visit utilizing our plexiglass cube. In person Visits are scheduled in 1-hour sessions with no more than 5 people. Please contact our Activity Director Juanita Rios directly at 505-600-4825 to schedule a visit.

As a reminder, only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 505-600-4800.

Sincerely,

Sarah Ortiz
Administrator
