

## **COVID-19 NOTIFICATION**

**July 13, 2020**

**Number of additional confirmed COVID-19 cases since our last update: 5**

Please continue to check our website for additional updates and information on what we are doing to help prevent further spread of COVID-19 in our facility.

If you have any questions or concerns about this notification, please contact us directly at 505-600-4800.

**WEEKLY UPDATE**

**July 15, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as an update on the status of COVID-19 in our facility and what we are doing to keep our residents and staff during this ongoing pandemic. As of today, we have had 34 residents and 8 staff members test positive for COVID-19. Our dedicated health care heroes at Spanish Trails continue to work hard daily to ensure your loved one receives the care and services they deserve. The commitment of these health care heroes is truly inspiring!

As the number of coronavirus cases throughout the country are rapidly changing, we continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please also remember what you can do to help stop community spread of this virus, such as practicing hand hygiene and social distancing, practicing proper cough etiquette, using face masks, and cleaning and disinfecting frequently touched surfaces daily.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

In closing, I have really enjoyed the opportunity to speak with so many of you since arriving at Spanish Trails on Friday, June 19<sup>th</sup>. Your support, encouragement, and feedback are very much appreciated!

If you have any questions or concerns, please contact us directly at 505-600-4800.

Sincerely,

*Mark McElwee*

## WEEKLY UPDATE

July 22 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 42 residents and 13 staff members test positive for COVID-19.

Our health care heroes at Spanish Trails continue to courageously care for your loved one daily and are working tirelessly to ensure our residents receive the care and services they deserve. I am so proud of the bravery and personal sacrifices these health care heroes are making daily to be available for our residents during these unprecedented times in our nation's history.

As you might already know, the federal government announced last week that it is going to send point-of-care testing supplies for COVID-19 to all skilled nursing facilities in the country. We hope this means better access to testing and faster results for our staff and residents, but we will keep you posted as we get more information and details on this development. As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility, and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 505-600-4800.

Sincerely,

*Mark McElwee*

**Number of additional confirmed COVID-19 cases since July 3rd: 13**

Please continue to check our website for additional updates and information on what we are doing to help prevent further spread of COVID-19 in our facility.

If you have any questions or concerns about this notification, please contact us directly at 505-600-4800.

## WEEKLY UPDATE

July 8, 2020

Dear Residents and Families/Representatives,

We hope everyone had a fun and safe July 4<sup>th</sup> weekend! Over the holiday, and always, our staff works hard to prevent the spread of COVID-19 in our facility. As of Monday, June 29<sup>th</sup> we are testing all residents and staff weekly. To date, we have had 18 residents and 3 employees test positive for COVID-19. I'm so proud of our dedicated health care heroes at Spanish Trails and continue to be humbled by the personal sacrifices they make daily to ensure your loved one receives the care and services they deserve. It is a privilege to serve with them!

We continue to follow our federal, state and local health officials' recommendations and guidance for all appropriate precautions and preventative measures that we have reported to you on our website and previous weekly updates.

With the growing number of COVID-19 cases in certain areas of the country, it is also important to remember what you can do to help prevent community spread of the virus. You should wash your hands often with soap and water for at least 20 seconds, avoid close contact with people who are sick and people who don't live in your household by maintaining six feet of distance between you and them, cover your mouth and nose with a cloth face cover when around others, cover coughs and sneezes using the inside of your elbow and immediately wash your hands with soap and water for at least 20 seconds, and clean and disinfect frequently touched surfaces daily.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 505-600-4800.

Sincerely,

A handwritten signature in black ink that reads "Mark McElwee".
